tomorrow's concept in a business case today!

Stebco's *Jettache'*

... as exciting as the jet age we live in, yet so revolutionary in concept that it has been granted an *exclusive design patent!** That's Stebco's dramatic, new Jettache' case! There's never been any business case quite like it!

Amazingly lightweight, roomy and rugged as a missile, the Jettache' is molded in magnificent Metallic Bronze, Charcoal or Olive, and features a modern, moisture-resistant closure that is trimmed in a smart brass finish.

A unique innovation in the Jettache' is the futuristic handle that is actually molded into the case itself to assure the user positive grip control. Included is a modern combination Sesame lock conveniently recessed into case.

The elegant plaid fabric interior of the Jettache' features four expanding, and two divided pockets. Roomy interior is 17½" x 12" x 4¼".

YES, the Jettache' is a totally new attache case that will impress even the most demanding and sophisticated business man. And only Stebco can offer it TODAY!
